PROFESSIONAL EXPERIENCE

CPG Packaging Engineer Technical Specialist/Consultant | White Sandcastle Solutions LLC, *Remote* 2019 – 2026

- Provide strategic package engineering support to CPG R&D Packaging teams, focusing on:
 - Component Spec Creation
 - Fill & Assembly Creation
 - Finished Goods Palletization
 - EPR Assessment
 - Artwork Review
 - H2R submissions
- Assess technical engineering drawings and related documentation to facilitate communication with component suppliers for required information, increasing efficiency of spec creation and EPR reporting.
- Collaborate on ad hoc projects within R&D scope, including equipment evaluation and raw material SDS auditing.

R&D Packaging Engineer | The Honest Company, *Playa Vista, CA* 2019 – 2026

- Led sustainability-driven packaging initiatives across Beauty and Baby product portfolios, transitioning 89% of key SKUs to eco-friendly and PCR materials or light-weighted componentry, reducing COGs \$554K annually.
- Collaborated with cross-functional team throughout the product inception-to-commercialization cycle, adhering to the Form-Fit-Function framework.
- Partnered with suppliers to verify technical specifications and to meet sustainability targets, along with component procurement for line trials, testing, and PR launches.
- Coordinated with commercial manufacturers for line trials, line trial attendance, filling and line capabilities, F&As, component specs, and palletization of finished goods.
- Executed component compatibility and physical testing, ensuring strict SOP adherence.
- Achieved 16.37% cost savings on kitting and gifting SKUs with the standardization of components.

Impact: Improved packaging sustainability metrics while maintaining product integrity, regulatory compliance, and cost discipline.

Real Estate Broker/Administrative Director | Country Club Property Mgt Inc., *Rancho Mirage, CA* 2016 – 2026

- Advise clients on structuring income-producing real estate portfolios as retirement planning tools in coordination with legal counsel, CPAs, and 1031-exchange programs.
- Oversee accounting, payroll, tenant placement, and sales operations.
- California Department of Real Estate (DRE) Broker License #1841362

Earlier Career

- **Implementation Manager** | NWP Services Corp, *Costa Mesa, CA* 2014 – 2016
Led onboarding and billing system implementation for multi-family utility management contracts, ensuring contractual accuracy, regulatory compliance, and data integrity.
- **Branch Manager (Broker-Dealer/RIA)** | Transamerica Financial Advisors, *Woodland Hills, CA* 2009 – 2014
Ensured compliance of the company's and FINRA's rules and regulations regarding sales of mutual funds, variable contracts, and insurance for a local, independent TFA office.
- **Data Analyst (Contract)** | Deutsche Bank, *Santa Ana, CA* 2006 – 2008
Analyzed prospectuses to process multi-million and billion-dollar Asset-Backed and Mortgage-Backed Securities (ABS/MBS) transactions to support structured finance operations.
